

JINAL PATEL

Signed

BUSINESS DEVELOPMENT EXECUTIVE | IT SALES | CLIENT COMMUNICATION & OUTBOUND STRATEGY

Address: Maroli, Navsari, Gujarat | Email: jkp44422@gmail.com | LinkedIn: <https://www.linkedin.com/in/jinalpatel-bde/> | Mobile No.: +91 9586968845

PROFILE

Business Development Executive with experience in the IT industry, managing end-to-end outreach, market research, and client interaction. Independently handled cold email and LinkedIn campaigns, ICP and lead list building, and data tracking. Regularly take client demo calls via Google Meet to present services and understand project needs. Thrive in fast-paced, unstructured environments with a hands-on, problem-solving mindset.

PROFESSIONAL EXPERIENCE

Business Development Executive / Business Analyst (R&D)

Goldenmace IT Solutions | Navsari, Gujarat | Aug 2024 – Present

- Built lead lists and identified Ideal Customer Profiles (ICP) for various products and services
- Used tools like Apollo, Meet Alfred, Mautic, Brevo, and LinkedIn Sales Navigator for outbound outreach
- Created and executed cold email and LinkedIn automation with minimal support
- Drafted outreach copy, built automation flows, and handled technical setup end-to-end
- Took demo calls via Google Meet to explain services and understand client needs
- Supported the team in researching product fit, exporting data, and managing campaign results
- Contributed to creating tier-based pricing structures for product setup/installation plans in collaboration with internal teams
- Recognized as Best Performer for March 2025 for exceptional dedication, attention to detail, and creativity contributing to the team's success.

Trainee – Business Development

GoldenMace IT Solutions | Navsari, Gujarat | July - 2024

- Researched core IT concepts to understand the basics of websites, mobile apps, and programming languages
- Studied company services (web/app development, UI/UX, custom software) to understand delivery process and use cases
- Learned about all in-house digital products and their positioning for different industries
- Developed foundational knowledge to confidently transition into the Business Development Executive role

Freelance Garment Designer & Tailor

Self-Employed | Navsari, Gujarat | Jul 2018 - Present (Part-Time)

- Design and tailor custom outfits for individual clients based on fit, fabric, and style preferences
- Manage end-to-end client communication, from consultations and measurements to final delivery
- Provide personalized style advice and adapt designs to meet unique client needs
- Handle multiple custom orders alongside a full-time role, ensuring consistent quality and timely delivery
- Strengthened key skills like time management, customer service, and attention to detail
- Built a loyal client base through quality-driven service and personal referrals
